Test Trade Fund

To support students and graduates to try selling and to make money from their ideas, a £250 test trade fund was made available in 2022 with business ideas receiving funding.

USW Launch

The Graduate Freelance and Business Start-up Accelerator provided a salary replacement of £5,000 and monthly business coaching and mentoring to 5 recent USW graduates over the 16 week programme.

Summer Start Up Week

This award-winning five day course delivered by Welsh universities and colleges returned for a third year. A total of 75 registered to attend the mix of keynote speakers, interactive workshops, panel discussions and live Q&As.

Unpreneur

30 students and graduates took part in this online six week start-up programme which gave them the opportunity to network across other UK universities.

Bright Ideas Den

Students and graduates were given the opportunity to pitch for up to £1,000 to kick-start their bright idea and receive advice and feedback from a panel of entrepreneurs.

Wales Student Market

Created in collaboration across Wales, the market gives students and recent graduates the opportunity to test trade and boost sales of their products and services.

Guest Entrepreneurs

(including Big Ideas Wales Role Models, USW entrepreneurial alumni and owners of local businesses) delivered workshops and supported enterprise activities and brought a wealth of knowledge into the classroom and inspire students to consider starting their own business.
