

Erasmus Partner Universities

Faculty of Creative Industries

The Faculty of Creative Industries currently has links with the Institutions listed below. Please note that the subject areas are a guide and the Institutions' websites will have more information. Please be aware that not all Institutions will offer full programmes in your subject area, and, further, that many Institutions will not confirm availability of specific modules/units until 2-3 months before the beginning of teaching. You should be willing to embark upon thorough research into availability and viability.

See the separate document for details of partners outside Europe.
