Additional notes:

1. External Examiners' reports are an important part of the University's quality assurance and enhancement systems. Upon receipt, they are scrutinised by the QAS. If QAS identifies any matters of particular concern or requiring immediate attention, an urgent response will be requested from the faculty and/or partner institution. Similarly, it would be helpful if you could identify any matters which you believe are particularly urgent or important.
2. QAS will provide a formal response to you within eight weeks of receiving your report.
3. You have the right to raise any matters of serious concern with the Vice-Chancellor if necessary, by means of a separate confidential written report.
4. If you have a serious concern relating to systemic failings with the academic standards at the University and have exhausted internal procedures including the submission of a confidential report to the Vice Chancellor, you may invoke the Quality Assurance Agency's concerns scheme or inform the relevant PSRB.

Date of Submission

Please ensure you press Submit (below) once you are satisfied that you have completed your report.
