

What Type of Agreement is Required?

This flow diagram will help establish what type of data sharing agreement is required.

Please note, this document is meant as a guide and each organisation should take advice from Information Governance leads and DPO (or equivalent).

The need for a DPIA must be considered before drafting an agreement.

Glossary:

- DPIA** – Data Protection Impact Assessments
- ISP** – Information Sharing Protocol
- DDA** – Data Disclosure Agreement
- JCA** – Joint Controller Agreement
- DPO** – Data Protection Officer
